Matt:

I just went to calendar the deadline for response to your RFPs and Rogs and it's Thanksgiving. Can we bump this out to the middle of the next week, say, Wednesday, December 2nd? Also, I got payment histories from Tom on the five debtors in question (he works with a company called Bridge Legal for payment management, and I think there was somewhat of a delay in getting statements from them), so I'll get the response to your conflict letter out right away. I'll also get our initial disclosures.

Thanks. -Dan
